## WELCOME TO OUR RANGE OF HERBAL TINCTURES

This is our list of Herbal Tinctures, doctor-formulated and clinically tested to work – if you click on the link for each of the herbal formulas, this will open a colour flyer with the ingredients and how best to use. These herbal formulas cover health issues such as parasites, adrenals, kidneys, liver, lymphatics, detox, arthroses, prostate, stomach, varicosities, hormonal balance, Alzheimers, skin, natural antimicrobials and more.

All our herbal tinctures are made with much care and respect for the herbal plants that they represent and are officially registered by the Ministry of Health, Cyprus.
